M/Y SOPRANO

SOPRANO is a 38 meters motor yacht built by Hakvoort and launched in 2017. The interior has a classic character with contemporary accents. A combination of rich stained mahogany panels with wood panels painted in matt white lacquer above the wainscot have been used.

One of her key features is the foldout platform amidships, providing easy access to the water for boarding and swimming. Suitable for global bluewater cruising, SOPRANO's sun deck offers a wealth of open space for sunbathing, a large Jacuzzi forward, a BBQ as well and a bar.
