

M/Y EDESIA

Built in 2004 by Italian shipyard Benetti, Edesia features the styling of renowned designers Francois Zuretti and Stefano Righini, who worked on her interiors and exteriors respectively.

This hugely successful design, benefits from larger windows where the glass itself has become part of the structure.

Guest accommodations are for up to 12 guests in 5 en-suite cabins. The owner's accommodation spans the full beam of the boat on the main deck forward.

"Edesia's" immaculate interior has a contemporary design and is luxuriously appointed. Her expansive deck spaces give her wide appeal for entertainment and or lounging.
