

M/Y ACCIAIO 123'

Acciaio 123' is a strong and robust steel and aluminum explorer vessel, the exterior lines of which carries both masculine and elegant traits.

After the very successful Darwin Class and Nauta Air ranges, the Acciaio range from Cantiere delle Marche raises the bar of what an explorer vessel should be like in terms of design, functionality and quality.

Her 37,35 mt in length overall and 7,80 mt (or 25,5') of beam contributes for a gross tons of 350, which is exceptional for a yacht of this size.

The hull design offers not only class-leading fuel efficiency but also a noiseless cruise and extreme guest comfort. Her interior offers 5 guest cabins spread across three guest decks, including a full beam master cabin on main deck and a full beam VIP cabin on lower deck.

bar.

The Owner's fun and enjoyment of the sea is secured by the ample selection of water toys that Acciaio 123 can carry. In fact, beside a 5 meterst tender in the garage and a jet ski on the bow, lots of space has been purposely built in two storages located underneath the tender housing and on the foredeck area.

In terms of performances, Acciaio 123' reaches a top speed of 13 knots and a range of 5.500 nautical miles at 10 knots of cruising speed.
