

M/Y KAISER

Constructed with a steel hull and aluminium superstructure by German yard Abeking & Rasmussen, the yacht was delivered in 2011 to design by Donald Starkey. An interior by Bannenberg & Rowell sleeps 12 guests in six beautifully-adorned cabins.

Constructed with a steel hull and aluminium superstructure by German yard Abeking & Rasmussen, the yacht was delivered in 2011 to design by Donald Starkey. An interior by Bannenberg & Rowell sleeps 12 guests in six beautifully-adorned cabins.

The warm saloon features a palette of saturated colours, hosting two large sofas port and starboard, with four armchairs and a formal dining table for up to 12 guests found aft. A backdrop of indigenous West African Ovangkol hardwood panelling adds a certain degree of regal charm. Her sky lounge boasts a private dining space and a bar alongside a large TV.

Moving outside, the large sun deck is split into several different areas, with a Jacuzzi, sunpads and a bar found forward and a dumbwaiter directly connecting the level to the galley. Guests can find shade on the aft thanks to sun loungers protected by a retractable awning.
