

# M/Y ADELIA

The 33-metre Custom Line motor yacht Adelia is for sale. Launched in 2021, the yacht for sale features exterior and interior design from Zuccon International Project, with naval architecture by Custom Line Spa.

The motor yacht for sale can accommodate as many as 10 guests between five staterooms, including a full-beam owner's stateroom on the main deck. Guests can also enjoy the fold-out terrace attached to the main saloon, the open-plan upper deck and the sundeck and its spa pool and large sunbathing area.

The Custom Line yacht for sale's interior has been designed in neutral tones with grey and cream furnishings. Dark wood and marble have been used to accentuate her finish, adorning the furniture and bathrooms.

The yacht is fitted with twin MAN 1400 engines and the Navetta 33 can reach 15 knots and a range of 2,000 nautical miles for cruising in the Mediterranean. A flexible joint has been placed in the transmission lines to absorb any shaft vibrations which helps to reduce noise and vibration along with hydraulic fin stabilisers for added comfort.
