

M/Y KHALILAH

Delivered in 2015, Khalilah is the first all carbon superyacht. She truly stands out, featuring distinctive lines and a gold livery with a sharp hull to cut through the waves. Her interior is just as distinctive as her exterior, with oak flooring, neutral furniture and colourful objects to make the room 'pop'. The interior feels very light and open with floor to ceiling windows aiding in lighting the interior and giving a great view outside. Coming outside you will find many large sun pads and a table aft, great for al fresco dining. Khalilah also comes with a matching tender
