

# M/Y PROJECT JADE

This is a fast aluminium yacht from Heesen shipyard in the Netherlands. This means that you get probably the highest construction quality from one of the best aluminium yacht builders in the world. She features clean minimalistic interior in contemporary Italian style, which is still alterable to align with the owner's requests. If you're looking for a no-nonsense, high-quality yacht with proven performance (several sister yachts delivered), look no further.

The Dynamiq Sales and Charter team has delivered several yachts of different sizes from Heesen shipyard and has a great insight and relations to ensure the construction will be a pleasant and safe journey.
