

M/Y STEFANIA

An elegant 41-meter (135') yacht with a striking exterior, Stefania was delivered in 2021 and showed incredible fuel efficiency (her proven range is 5,500 nm at 10 knots) and very low noise and vibration levels. Her 5 spacious cabins are beautifully decorated in the style of modern Art Deco and feature rich soft gold and mother of pearl details. She has 2.2m (7' 3") clear deck heights throughout the interior and features a massive 3-zone sundeck, as well as a huge 10-person aft pool.
