

M/Y TIME OFF

This is a great opportunity to enlarge your current yacht capabilities with this perfect Dutch shadow vessel. TIME OFF is the ninth of the popular Damen 55m (182 ft) design. She follows in the footsteps of her predecessor GENE CHASER with a large multipurpose main deck hangar, which is technically ready for stern A-frame installation and allows for a flexible deck layout.

Configurations can include submersible and dive operations, vehicle garage or workshop facilities, stowage of equipment, space for social engagements or even transport of relief goods. In addition, a number of other new features have also been incorporated into the design including a new accommodation layout for up to 7 guests and 4 staff plus crew. The yacht is currently located at the shipyard in Vlissingen, where some extra requests can still be executed.
