

## DYNAMIQ 165

This flagship of the Dynamiq Gran Turismo Transatlantic range boasts six spacious staterooms that accommodate 12 guests, with an impressive owner's suite featuring two side structural balconies for private moments at sea. The GTT 165 boasts unique Maldivian-inspired interior styling with an exclusive selection of furnishings and accessories from Bottega Veneta. Large sliding doors on the upper deck allow guests to transform the area from a spacious indoor-outdoor space to a sophisticated dining area, with the upper salon fireplace creating the perfect intimate ambience.

Engineered in the Netherlands by the experts at Van Oossanen Naval Architects, the GTT 165 has a robust, fast-displacement hull built from a lightweight aluminium alloy, making her a super-efficient ocean-going yacht with a range of 4,500 nm.
