M/Y QUANTUM OF SOLACE

Built in 2012 by Turquoise yachts and measuring 72.6 meters long Quantum Of Solace is a spectacular yacht that features an exterior and interior design by H2 Yacht Design. The exterior is elegant with flowing lines from the bow going all the way aft to the beach club. The bow area comprises of a touch & go helipad and holds two tenders out o the way of the guest areas, allowing for easy deployment without interrupting guests. The aft section comprises of a number of refined exterior spaces, great for relaxing in the shade and lounging about. Quantum of Solace also has a very large sundeck which includes a large 5 meter swimming pool and a whole range of entertainment equipment such as disco lights built into the superstructure, you will also find a large dining table and ample lounging space here. The interior is exquisite and opulent utilizing dark woods highlighted by metal and the silvery finish of the soft fabrics. The main saloon is a master piece consisting of a very large open space with bar and a double-height atrium. Quantum Of Solace also comes with a fully equipped spa with gym, jacuzzi, massage room and hammam. Quantum Of Solace is able to comfortably accommodate 14 guests in 7 staterooms with the master cabin being located on the upper deck.
