

VALERIE

Superyacht Valerie has never been chartered and is in excellent condition after one owner since delivery. Valerie was built at Lürssen shipyard in 2011 and underwent a major refit in 2019. The 6-deck yacht with a displacement of 2755 GT combines an exterior styled by renowned designer Espen Oino and an interior designed by Reymond Langton. The yacht is capable of accommodating 17 guests in 9 well-appointed cabins (with an additional child's cabin and a staff cabin on the upper and lower decks), served by 27 crew members.

Numerous amenities are on board, from a fully equipped spa with hammam to a helicopter deck and spacious sunbathing deck with a 6-meter pool. In addition, all decks are connected by an elevator with additional guest access on the port side.

Lürssen's legendary workmanship is evident in every design element of the superyacht. Valerie is presented with an excellent pedigree and the rare opportunity to acquire one of the most impressive and impeccably maintained superyachts on the market today, without waiting for new construction.

Superyacht Valerie is for sale at € 120,000,000 and is located in Vilanova Grand Marina (Barcelona).
