Built in 2007 by Baglietto, SEAKID is one of the best looking super yachts on the market in her range. Designed by Francesco Paszkowski, aluminium planing superyacht features a stylish and modern interior with an airy and spacious saloon.

She underwent a refit and is looking for her next owner. Moreover she has plenty of outdoor teak deck space to enjoy with al fresco dining on her flybridge, as well as further al fresco dining and seating on her main deck aft. Also has a large swim platform to her stern and a tender garage storing two tenders and various toys.
